

Home Occupation Permit Application

Certain home businesses are permitted by the City to be carried on by the inhabitant of a dwelling. The permitted business must be incidental and secondary to the use of the structure for living purposes and cannot change the character or adversely affect the uses permitted in the zone and vicinity.

Filing of Application

With the application for a Home Occupation Permit, a non-refundable fee of \$73.00 shall be paid to the City to defray the processing costs. As part of the application, the applicant, if not the owner of the property, shall have the property owner or his/her representative sign the application agreeing to the applicant conducting the business at the subject location. If the location is a condominium, an officer of the condominium association shall sign the application.

Home Occupations Permitted

The following home businesses may be permitted provided they do not involve outside storage of materials, equipment, or products and would not prevent the parking of vehicles in the garage:

1. Office use, such as contracting and consulting, when the residence is used for the sole purpose of receiving mail, telephone calls and bookkeeping.
2. Crafts and hobby uses, such as photography, artwork, and home crafts provided products and/or services are not offered for sale on site.
3. Services, such as gardening, janitorial, typing, day care, computer and telecommunication networking.
4. Off-premise sales and vending, such as import/export, product distributing, and swap meet vendors.

Home Occupations Prohibited

The following shall be expressly prohibited as home occupations:

1. Real estate, insurance, law and medical offices, or any other office that serves clients on premises.
2. Beauty shops, massage parlors, private clubs, dance studios and dating services.
3. Repair or construction of motor vehicles and appliances, machine shops and cabinet shops.
4. On-premise sales and vending.
5. Any business which is deemed to be incompatible with the surrounding land uses and which may adversely affect the health, safety and general welfare of the neighborhood in which it is located.
